

EAC2015

European Aerosol Conference

Milan (Italy) September 6-11, 2015

2ND ANNOUNCEMENT

Dear Colleague,

We remind you that the abstract submission deadline is **February 27th**.

You are strongly encouraged to book your accommodation **as soon possible** (and before April 20th if your booking will proceed through the EAC2015 website) as EAC2015 will be organized during EXPO 2015 (a non-commercial Universal Exposition around the theme "Feeding the Planet Energy for Life") and the hotels will be soon fully booked. After April 20th, the organization could not be able to ensure the accommodation service.

For further information on the conference please visit: www.eac2015.it

Looking forward to seeing you in Milan,

Best regards.
